Defendant.	)	REQUESTS FOR PRODUCTION

**I. INTERROGATORIES**

Pursuant to Fed. R. Civ. P. 33, each plaintiff is hereby requested to answer, separately from other plaintiffs (or to the extent all plaintiffs' answers to any Interrogatory are identical, separately signed and sworn), each of the following interrogatories separately and fully in writing under oath, and to provide responses by electronic mail to defendant's undersigned counsel by the applicable deadline. If any interrogatory cannot be answered fully, it should be answered to the extent possible, with the reasons explained for not answering more fully. In responding to these interrogatories, type out each question before your answer.

INTERROGATORY NO. 1: Identify by full name, all aliases, address, telephone number, e-mail address, and website URL each person who provided information used or relied on in responding to these Interrogatories.

ANSWER:

with the assistance of counsel

INTERROGATORY NO. 2: Identify by full name, all aliases, address, telephone number, e-mail address, and website URL each person whom you intend to call as a witness at any evidentiary proceeding or trial held in the above-captioned matter, including all plaintiffs and expert witnesses you intend to call.

ANSWER: Objection. As counsel discussed on September 24, 2012, this interrogatory is premature. Plaintiffs have not yet determined who they will call as witnesses at any evidentiary proceeding or trial. They will provide this information once discovery is complete and in compliance with the discovery scheduling order, the court's standing order, and the applicable rules of procedure.

INTERROGATORY NO. 3: For each person identified in Interrogatory Number 2, describe in detail the expected content and nature of the person's testimony, and state the likelihood that the person will testify.

ANSWER: See answer to Interrogatory No. 2.

INTERROGATORY NO. 4: Identify by title, date, publisher, distributor, location, and URL all documents and electronically stored information, including webpages, you intend to introduce as evidence in this litigation.

ANSWER: Objection. As counsel discussed on September 24, 2012, this interrogatory is premature. Plaintiffs have not yet determined what documents they intend to introduce at any evidentiary proceeding or trial. They will provide this information once discovery is complete and in compliance with the discovery scheduling order, the court's standing order, and the applicable rules of procedure.

INTERROGATORY NO. 5: If you contend that you (and/or, for an organizational plaintiff, any of your members) are a primary producer of one or more matters containing visual depictions of actual or simulated sexually-explicit conduct subject to the requirements of 18 U.S.C. §§ 2257 or 2257A,

identify by title, date of creation, date of publication, publisher, URL, distributor, and location a representative sample of ten such matters containing such visual depictions that you and/or your members have produced (or, if the total number that you and/or your members have produced is less than ten, all such matters containing such visual depictions that you and/or your members have produced) and state whether the sexually-explicit conduct in the depictions in each of these matters was actual or simulated or both.

ANSWER: Three Men, The Hellfire Club, New York City, 1981  
Annie and Spike, The Hellfire Club, New York City, 1981  
Bangkok Girls, Club on Pat Phong Rd, Bangkok, Thailand, 1988  
Backroom Spank, The Hellfire Club, New York City, 1981  
Cheez Whiz, Pickles and Peaches, Danceteria, New York City, 1985  
Fetish Factor, Fetish Factor Party at Lucky Chang's, New York City, mid-late 1980s  
London Kiss, Safer Planet Sex Ball, London, 1995  
Man with 2 Joints, The Hellfire Club, New York City, 1981  
Smile and Dick, Danceteria, New York City, 1985  
Spanking Witness, The Hellfire Club, New York City, 1981

All sexual conduct is actual and not simulated.

My work has mostly been exhibited and collected. The images taken in New York City were purchased by the New York Public Library for their collection. The work has been exhibited and written about nationally and internationally, most recently in Sydney, Australia in a show called "Night Vision".

INTERROGATORY NO. 6: If you contend that 18 U.S.C. §§ 2257, 2257A, and/or their implementing regulations are not narrowly tailored as applied to you (and/or, for an organizational plaintiff, your members), or are overbroad, identify, per contention, by full name, all aliases, address, telephone number, e-mail address, and website URL all persons, including plaintiffs, who have personal knowledge of facts relating to each of those contentions.

ANSWER: Objection. This interrogatory is overbroad and burdensome in that it asks Plaintiffs to identify *all persons*, without limitation, who have knowledge of the contention that the statutes are not narrowly tailored or are overbroad.

Without waiving this objection, I provide the following information:

I have personal knowledge of the facts relating to Plaintiffs' contentions that the statutes and regulations are not narrowly tailored as applied to me and are overbroad.

INTERROGATORY NO. 7: With respect to each person you have identified in response to Interrogatory Number 6, list in complete detail, per person you have identified, those facts known by that person that support either the contention that 18 U.S.C. §§ 2257, 2257A, and/or their implementing regulations are not narrowly tailored as applied to you and/or your members, or the contention that those provisions are overbroad.

ANSWER: My photographs have always been of persons who are consenting mature adults who could not be confused as minors. Therefore, the statutes are not narrowly tailored to advance any interest in protecting children as applied to my work.

The statutes are also substantially overbroad in that they apply to an enormous amount of protected expression produced by other artists, sex therapists, and individuals in the course of their private sex lives that depicts mature adults who could not be confused as children, examples of which have been provided in my response to Interrogatory No. 12.

I reserve the right to supplement my answer with additional facts as discovery progresses.

INTERROGATORY NO. 8: If you (and/or, for an organizational plaintiff, your members) restrict those persons that appear in visual depictions that you or your members produce of actual or simulated sexually-explicit conduct subject to the requirements of 18 U.S.C. §§ 2257 or 2257A based on age, identify all procedures that you and/or your members have employed or currently employ to ascertain or verify the ages of those persons.

ANSWER: I had no particular "procedures" for verifying ages. The clubs in which I created the photographs were adult-only clubs and had a notice posted that a photographer would be present at the events held there. The persons whom I photographed were clearly adults.

INTERROGATORY NO. 9: If you (and/or, for an organizational plaintiff, your members) have produced visual depictions of actual or simulated sexually-explicit conduct subject to the requirements of 18 U.S.C. §§ 2257 or 2257A that portray persons in any of the following age groups engaged in actual or simulated sexually-explicit conduct, identify for each such age group whether the total number of such depictions (where each film, videotape, photograph, or digital image constitutes a single depiction but not including multiple copies, duplicates, scenes within a single film or video, or edited or reformatted versions of the same depiction) is (a) greater than zero, (b) greater than five, (c) greater than ten, (d) greater than twenty, (e) greater than fifty, (f) greater than one hundred, or (g) greater than one thousand.

i. 18-25

ii. 26-35

iii. 36-45

iv. 46-55

v. 56-65

vi. over 65

ANSWER: Objection. This interrogatory is vague and unduly burdensome. I do not have information available to answer this interrogatory. See answer to Interrogatory No. 5 and 7.

INTERROGATORY NO. 10: With respect to each statutory and/or regulatory requirement of 18 U.S.C. §§ 2257 or 2257A or their implementing regulations (identified by specific subsection, or by section if the section contains no subsections) that you contend either is not narrowly tailored as

applied to you (and/or, for an organizational plaintiff, your members) or is overbroad, state, per such requirement, each and every fact upon which you rely to support your contention.

ANSWER: The recordkeeping and labeling requirements and penalty provision of 18 U.S.C. § 2257 (a)-(f); (i); the recordkeeping and labeling requirements and penalty provision of 18 U.S.C. § 2257A (a)-(f); (i) and 28 C.F.R. §§ 75.2, 75.3, 75.4, 75.5, 75.6, 75.8 implementing the statutory recordkeeping, labeling, and inspection requirements are not narrowly tailored, are overbroad and impose unconstitutional burdens on my expression.

I plan to publish a book of my body of work that depicts actual and simulated sexually explicit conduct and candid display of the genitals by mature adults. I want to include photographs taken prior to July 3, 1995 with new erotic photographs of adults. Because I want to create a book that spans my complete body of work, both pre-July 3, 1995 photographs and post-July 3, 1995 photographs, I am required to obtain records from the persons depicted in my pre-July 3, 1995 photos in order to publish my book. I am simply unable to locate and obtain photo identification from the models depicted in work I produced 30 years ago and for photos I took many years ago in Thailand and London. And even if I were able to track down some of those individuals, they might well be expected to refuse to provide me with photo identification documents to be made available for inspection by the government. I, therefore, cannot publish a compilation of my work that includes these photographs with current photographs of sexual conduct because I am unable to comply with the record keeping requirements for my earlier work. I also am encumbered by the record keeping and labeling requirements in creating new photographs and am concerned that the record keeping and labeling provisions will discourage a publisher from publishing my work. Since I work from my home, I would also be subject to warrantless searches of the records in my home as part of the statutory and regulatory inspection regime. The statutes and regulations are not narrowly tailored to advance an interest in protecting children but as applied to my work, restrict protected expression depicting adults.

Also, the statutes and regulations impose their burdens on a vast amount of protected expression depicting mature adults that is in no way associated with child pornography. See answer to Interrogatory No. 12.

I reserve the right to supplement my answer with additional facts as discovery progresses.

INTERROGATORY NO. 11: With respect to each statutory and/or regulatory requirement that you identified in response to Interrogatory Number 10 and that you contend is not narrowly tailored as applied to you (and/or, for an organizational plaintiff, your members), identify, per such requirement, by title, date of creation, date of publication, publisher, URL, distributor, and location a representative sample of ten visual depictions that you and/or your members have produced of actual or simulated sexually-explicit conduct subject to the requirements of 18 U.S.C. §§ 2257 or 2257A that support your claim (or, if the total number that you and/or your members have produced that support your claim is less than ten, all such visual depictions that you and/or your members have produced).

ANSWER: See answer to Interrogatory No. 5.

INTERROGATORY NO. 12: With respect to each statutory and/or regulatory Requirement that you identified in response to Interrogatory Number 10 and that you contend is overbroad, identify, per requirement, by title, date of creation, date of publication, publisher, URL, distributor, and location a representative sample of one hundred visual depictions of actual or simulated sexually-explicit conduct subject to the requirements of 18 U.S.C. §§ 2257 or 2257A that support your claim (or, if the total number of visual depictions that support your claims is less than one hundred, all such visual depictions).

ANSWER: In addition to my work listed in response to Interrogatory No. 5 and that identified by my fellow plaintiffs, the following sets forth a representative sample of depictions compiled by counsel to which the statutes apply and support Plaintiffs' claim that the statutes and regulations are overbroad:

There are thousands of sexually explicit videos made by private individuals that are uploaded to tube sites that depict mature adults and/or are displayed by amateur adult webcam sites. See:

Additionally, there are numerous adult dating websites and social networks on which mature adult members exchange a multitude of sexually explicit images with one another. Government computer forensic specialist Kristi Witsman accessed tens of thousands of images of mature adults from a single website seven years ago. *Affidavit of Kristi Witsman, Connection Distributing Co. v.
